## **Snow Day Procedures and Expectations for Students**

- 1) If a snow day is predicted, teachers will alert students and give them a hard copy of a relevant and timely assignment. This same assignment will be posted into a new folder labeled 'snow day' which will be nested under 'class folder' on the portal. Assignments will be posted by 9:00 a.m. on the snow day.
- 2) Students will be expected to complete assignments for classes that would be meeting on the day of the snow day. Students will not be given work for the dropped period on the day of the snow day. Assignments will be for approximately 30 - 45 minutes in length.
- 3) Teachers will check their email at 10:00 a.m., 12:00 p.m. and 2:00 p.m. to answer questions or concerns sent by students.
- 4) Completed work should be turned in through the portal if possible, or submitted at the next class meeting.
- 5) If the situation arises that a consecutive snow day occurs, the same procedure will be followed. New assignments will be posted on the portal by 9:00 a.m.
